

Illustrator, Designer, Climber, Front-End Developer

859.312.6422 | grierkag@gmail.com

2 yrs

pre-press specialist

worked directly with a 5-color pressman correcting designer files, laying out press sheets for optimal ink/spot use, creating error-free large press plates, responsible for all large paper stock orders, and for runs of thousands of magazines and other collateral

2.5 yrs

full-stack designer at small agencies

worked developing illustrations, websites, branding, animations, installations, client presentations, typography, and editorial layout

2.5 yrs

interactive designer at cornett

developed illustrations, icons, websites, html5 ads, branding, editorial layout, animations, web maintenance, storyboarding

I want to be an art
director because
I'm curious,
determined,
fearless, excited,
obsessed with
improvement,
spunky, ready to
be tested, weird,
hungry, loving
what I do.
